Re: Application # 09/590,942

To Whom It May Concern:

An amendment for the referenced application was mailed on 23 February 2005. I received the return receipt from the Postal Service stamped 25 February 2005. I also received the self-addressed, stamped postcard included with the application. This was stamped by your office 25 February 2005. I have included a copy of the postcard with this fax.

Please advise on the status of the application. The examiner, Frantzy Poinvil, has not been able to review, locate or determine the status of the application. It has been nearly two months since the USPTO has received the amendment. I can be contacted at (516) 632-5741 or by mail;
